Rafael:

I will see what I can find out and find the exact location of the spill. As you know this is an active operation and sometimes mishaps happen. This was not reportable to us as a spill as it did not enter waters of the US nor impact what is considered adjoining shorelines.

Thanks

Gary Moore

Gary, the attached report mentions a "spill" by Superior. Can you find out the volumes and locations of the spill? I can contact TRC directly if you prefer. Thanks.
